EXPERIENCE

Lead Design Jun 2023 - Present
Hebron Startup Lab *Ogun, Nigeria*

- In my role as the Lead Designer at Hebron Startup Lab, I was entrusted with overseeing all design and creative operations. I took charge of managing and guiding the design team, ensuring the smooth execution of projects and maintaining a high standard of creativity.

Graphics Designer Mar 2023 - Jun 2023
Hebron Startup Lab *Ogun, Nigeria*

- As a Graphics Designer at Hebron Startup Lab, I collaborated with experienced designers, mastering new tools and programs while gaining hands-on experience in branding projects. I contributed to visually appealing brand identities, honing skills in logo design, color theory, typography, and visual consistency. My attention to detail and effective collaboration ensured timely project delivery and upheld high quality standards. This experience provided valuable learning opportunities and exposure to a talented team.

EXTRA-CURRICULAR ACTIVITIES

- Actively post on LinkedIn [blog posts](#) and social media posts
- Active member of the my Local Basketball team/ community.
- Pinterest Exploration, Cycling, Motivational Speaking, Photography, Music

CERTIFICATES

- Cisco Networking Academy Cybersecurity Essentials course
